KINGA G. TÓTH
CURRICULUM VITAE

Name: Kinga G. Tóth
Date of birth: 08. 08. 1972.
Place of birth: Budapest
Nationality: Hungarian
Address: 1026 Budapest,
Hidász utca 15
Tel: +36-30-900-4108
E-mail: gtothk@gmail.com
ORCID: 0009-0000-4744-896X

CORE RESEARCH:

Cognitive ethology, animal cognition, comparative neuroethology, animal neuroimaging, language related capacities of animals. The evolution of human language. Animal communication. Honest signalling. Smart devices for dog-human communication.

WORK EXPERIENCE IN RESEARCH, PSYCHOLOGY AND EDUCATION:

Feb 2023 – Now. **InnovITech Ltd. Researcher**. Development of smart devices for effective communication between a dog and a disabled owner.

Sep 2022 — Now. **Eötvös Loránd University, Doctoral School of Biology, Ethology Department, Neuroethology of Communication Lab**. **PhD Candidate**. Research topic: The Comparative Study of Speech Sensitivity in Dog Puppies, Wolf Puppies and Wild Boar Piglets.

May 2017 — Feb 2020. **University of Theatre and Film Arts, Budapest, SZFE. Executive consultant, leading methodological researcher.** Within the EFOP-3.2.6.-16 tender project — entitled: '*Facilitating Students' Ability Development in Public Education Institutions*' -, the film art research group developed new curricula and study-aids for media education.

Feb 2014 – Jan 2018. **University of Theatre and Film Arts, SZFE, Institute of Film and Media. Lecturer.** Courses: Psychology, Stress-management, Film Language, New Digital Genres, Reality TV.

Jan 2014 – Sep 2023. **Stress-disorder consultant, psychologist.**

May 2009 — Jan 2012. **Péterfy Sándor Street Hospital, Cardiology Department. Research Assistant Volunteer.** We developed a new diagnostic system and treatment protocols for psychosomatic syncope patients. Our results were presented at several conferences.

Sep 2004 — May 2005. **Eötvös Loránd University, Faculty of Education and Psychology. Research Assistant.** In the research group of Attila Oláh we developed new photo-illustrated Emotional Intelligence Tests for 6–14-year-old children. These tests were applied by the Ministry of Education during the national competence survey in 2005.

EDUCATION:

May 2018 – Aug 2018. Mirror Method. **Dog Trainer**.

Sep 2004 — Jun 2013. Eötvös Loránd University, Faculty of Education and Psychology. **MA in Psychology.** Clinical- and health psychology specialization**.**

Sep 1995 — Jan 2001. University of Theatre and Film Arts, SZFE. **MA in Film Cinematography.**

Sep 1992 — Jun 1999. Eötvös Loránd University, Faculty of Humanities. **MA in English Studies.**

Sep 1993 – Jun 1995. American Journalism Center Budapest. **Certificate in Basics of News Reporting.**

1993. **Certificate in Photography**.

1990. **High School Diploma.** I. István Gimnázium, Budapest

SCHOLARSHIPS:

Feb 2023 — Now. **Cooperative Doctoral Program.** National Research, Development and Innovation Office, The Ministry of Culture and Innovation, Budapest, Hungary. My innovation is the speaking collar system, which is a smart device creating a secure communication channel between a dog and a non-speaking/mute owner.
